

# Annual DentPAC Contribution

DentPAC is your profession's state political action committee. It raises money from the dental community to make non-partisan contributions to candidates who can support dentistry's legislative goals. DentPAC's Board of Directors provides leadership to encourage dentists to become actively involved in the political and legislative process on behalf of dentistry. For more information, contact David Hemion at [dave@wsda.org](mailto:dave@wsda.org).
