Re: Washington Dental Service Meeting Minutes

Dear Mr. Steel:

I am writing on behalf of Dr. Bernard J. Larson in response to your correspondence of October 17, 2017 indicating that the Washington Dental Service's ("WDS") Board of Directors has chosen not to hold an annual member meeting on the second Friday in November, which is required by the WDS Bylaws. As previously indicated, the decision to delay the annual member meeting denies Dr. Larson and other members of WDS the right to participate in the governance of WDS and is a violation of their rights as members. Dr. Larson respectfully requests that the Board reverse its decision and promptly schedule an annual member meeting.

Additionally, on behalf of Dr. Larson, we request that WDS provide him with a copy of the minutes for all meetings of the WDS Board of Directors and its committees from October 1, 2007 through the date of this letter. As communicated in our September 28, 2017 letter, section 24.03.135 of the Revised Code of Washington provides that a nonprofit corporation's corporate records, including the minutes of its Board of Directors and any committees, must be "open at any reasonable time to inspection by any member of more than three months standing." We respectfully request that WDS fulfill its statutory obligation to provide Dr. Larson with a copy of the described documents.

Very Truly Yours,

HALL, RENDER, KILLIAN, HEATH & LYMAN, P.C.
